FEATURE CLUB : BRIMBANK SOCCER CLUB

Welcome to yet another exciting edition of HATRICK HERO magazine as we reach a milestone in our short history. This is our 6th Edition, which means that every one of our 6 foundation clubs have now been represented and featured. A massive thanks to everyone's support once more!!

This edition focuses on the BRIMBANK STALLIONS SOCCER CLUB, who has been super keen to finally get featured on HATRICK HERO. The club is situated on Furlong Rd in Sunshine right next to the Sunshine Hospital. The club boasts a number of grounds and some excellent social facilities within the Italo Club. There is a proud Italian heritage within the club however; Brimbank embraces all cultures and backgrounds to participate. This week's edition features the U9's, U11's, U13's, U14's as

well as the U18's who all put on a great show of skills and sportsmanship. The games featured are from round 9, which fell on the morning after Australia's heroics against the Ghanian's in the World Cup final. It was good to see a number of inspired footballers looking to mirror their National Heroe's in their performances.

In the LATEST NEWS section we will be reviewing the Socceroos' 2010 World Cup campaign that "could have been".

In our FAST FACTS we also take a quick look at the Jo'Bulani World Cup ball, and discover what all the fuss is actually about.

As always our Archie Thompson competition is still running so get you Archie pics in to win the framed, signed picture.

All pictures in the magazine and online are available for framing, prints and enlargements. We are also able to put together some quality montages, which will prove to be priceless memories. Refer to the details on our back page or email us hatrickhero@live.com or via FACEBOOK >> search for "Hatrick Hero".

KANGAROOS

SCORE: 3-3

Kangaroos VS georgies

The U/9 Kangaroos' game was played at a frenetic pace with SGX's Beckham (#9) having the first chance of the game. Tyson (BB #7) was also looking dangerous up front for the home side with a shot hitting the side netting and the cross bar. Sarah (BB #5) was also getting into the action with some brave tackling. It was Daniel (SGX #4) who opened the scoring for the away side with a cracking left foot shot on the 14th minute. Brimbank hit back instantaneously through Tyson (#7)

shooting through the keeper's legs on the 16th minute. Nathan Buttigieg (SGX #18) put the Georgies in the lead once again in the 18th minute however, Sarah (BB #4) was able to equalise before half time. 2-2 at half time in a very entertaining game. Said (SGX #16) put Georgies ahead for the 3rd time, 2-3 to Georgies. Tyson (BB #7) scored his second goal to tie the scores 3-3 and made it an interesting final few minutes. Final score 3-3.

KANGA YELLOW

SCORE: 0-0

Kanga yellows vs green gully

The U/11's started this game with some real attacking flair with Nicholas Tapia (BB #14) for Brimbank having the first shot on goal. Angus (BB #4) was solid in defence and impressive with his organisation skills at the back. Gully was holding their lines well in their own defence and were looking dangerous from the counter attack. Michael (BB #12) put in a great cross on the 10th minute, which was struck well by David Purda (BB # 9) as it hit the cross bar. Liam Vella (GG #9) was looking dangerous for the away side. Scores remained 0-0

going into half time. Brimbank again came out firing in the second period as Matheo Boskhubo (BB #2) looked lively up front as he had a header go wide from a corner. Both sides were playing some good football, but neither team looked to have that final touch to score. Both teams had chances however, the inaccuracy of both sides led to a stalemate with the final score 0-0.

WEST

SCORE: 1-9

BRIMBANK VS essenbon royals

The home side were looking to ease into the game but were stunned with a 5th minute goal from Essendon's #13, Samuel Lastrina, making it 0-1. Brimbank looked to bounce back as they had a shot cleared off the line. Emmanuel Annei (BB #5) put Brimbank back on level terms with a good goal in the 13th minute. However, Essendon quickly halted the home team's celebration as they instantly restored the lead 2 minutes later through an Ayden Sirin (ER #15) header making it 1-2 going into the break. Brimbank were definitely still

in the mix. However, it was a tale of 2 halves as Essendon fully dominated the second half. Brimbank were deprived of possession as the away side scored 7 un-answered goals with Leo Ceventano pipping in with 4 goals making him a HATRICK HERO. Other scorers were Brendan Ng, Alper Gunaydin. Final score 1-9 to Essendon Royals. Brimbank were in it up to half time before running out of legs in the second period of the match.

Match Report: U/14 B Brimbank Vs Sydenham Park 20/6/2010

Brimbank came into this match looking to keep the pressure at the top end of the table. Having scored an impressive 28 goals before this match there was bound to be a few in this game. Sydenham Park was looking to register their first win of the season and move off the foot of the table. The game started off fairly evenly with only a few chances in the opening few minutes. The home side looked the more likely to open the scoring as Jonathon (BB#9) made some great runs down the right wing and delivered an impressive cross. The

Brimbank players were growing in stature and started to demonstrate some nice dribbling skills. Daniel (BB #8) was creating some good movement and crosses from the left wing. Daniel was able to score the first goal of the game directly through a corner kick in the 14th minute. Sydenham made a rare run up forward, but made the Brimbank keeper work, who saved at point blank distance. Minutes later Daniel got his second of the match making it 2-0 in the 21st minute. Brimbank came out after the interval full of confidence and were keen to add to their score line. John Oddo

(BB #17) scored the home side's 3rd goal after some impressive build up play and pressure up front. Daniel was keen to get his hatrick but was denied by the Sydenham defence on a number of occasions. However, Daniel was able to finally breach the away side's defence for a 3rd time and became a HATRICK HERO. Brimbank were clearly superior to the away side in most areas of the game with a total of 20 shots at goals. This really sets up Brimbank for the rest of the season as they look to continue to pile the pressure on Sunshine Heights at the top of the table.

Match Report: Brimbank VS Hoppers Crossing 20/6/2010

This game had to be seen to be believed – those who were present were treated to a goal fest, with 7 goals being scored. Brimbank were looking to climb up to the top half of the ladder, whilst Hoppers were looking for some improvements to move away from the bottom half. The first goal was scored as early as the 4th minute with Hoppers' #16, Jordan, scoring first. Dine (BB #12) was able to level the game only 2 minutes later after a scramble in the box. However, chaos struck the home side's defence as they conceded an own goal in the 7th minute 1-2 to Hoppers. Brimbank refused to lie down and were able to run through the away side's defence with Dine scoring his

second goal in only a few minutes. Brimbank were now looking in control as Frank Matina was making some great runs down the left. Dine hit the cross bar as Brimbank looked to take the lead. The home side were looking particularly dangerous through corners; however the scores remained 2-2 going into the half time break. More goals were to come and it was Hoppers Crossing who again took the lead for the 3rd time in the game as Mustafa (HC #2) scoring through a cross from the right wing. Brimbank's keeper made a couple of great saves to ensure the home side stayed in the game. The home side never looked like giving up and were rewarded with yet another goal – this time through Reddy (BB #3) after some good work

from the left wing. The momentum was now with Brimbank and it seemed as though there would be a winner. Reddy took on 3 players on the edge of the box before setting up Dine for his 3rd goal of the game – making him a HATRICK HERO. Brimbank had hit the lead for the first time in the game and looked to bolster their defence. There were some nervous moments as the home side conceded multiple corners, but the home side were able to see out the game victorious. A truly entertaining game with both teams making the most of defensive errors. The win puts Brimbank in 6th spot who showed some real character.
